THE LIB DEMS' 3 POINT PLAN FOR A SAFER NEIGHBOURHOOD:

Your local Lib Dem team Cllr Jonathan Oxley, Cllr Athena Zissimos, and Mark Sanders are working hard to keep our local area safe.

Besides regularly attending Police Panel meetings and conducting walkabouts with the local police, they have also been working with the police and the Council to tackle anti-social behaviour and remove illegally parked vehicles in our area.

Liberal Democrats

1 Stop Police front counter cuts

Lib Dems believe **police stations remain a lifeline** to report crimes, hand in lost property, or to report crime after an attack.

Shutting down police counters will harm our most vulnerable, including elderly people and those suffering from domestic violence.

2 Keep local officers in our neighbourhoods

Too often, local Safer Neighbourhood Police Teams are treated as less important and often get diverted to central London, leaving local residents vulnerable.

The Lib Dems are pushing for the Chancellor to take our safety seriously and **provide dedicated funding** to reflect the acute pressures facing the Met.

3 Fix the Met and restore trust

Too many people no longer trust the people who are meant to keep us safe. Public confidence in our police is at an all-time low.

Liberal Democrats are demanding more **bobbies on the beat** as an effective deterrent to crime, ensure more rapes and sexual assaults are investigated effectively, and speed up the process to **root out the officers who are sexist, racist, and misogynistic**.

Join the Lib Dems' fight to keep Acton Police Station counter OPEN

We, the undersigned, call upon the Mayor and Met Police to keep Acton Police station counter, the last remaining public facing police station in Ealing Borough, **open 24/7**:
