LABOUR'S SAFEGUARDING FAIL

Local vulnerable children at risk of sexual abuse and neglect says Ofsted - Lib Dems determined to FIX this

DETERMINED: Local school teacher and Lib Dem **Councillor Adam Keenan** is holding Labour to account over safeguarding failures.

The Lib Dems are determined to get the Council to fix the loopholes that leave children vulnerable to sexual abuse and neglect under Ealing Labour's watch.

Councillor Adam Keenan, Lib Dem Opposition Spokesperson for Children's Services, exposed Ealing Labour for failing to fix management issues uncovered by Ofsted over two years ago.

Local teacher **Adam** is determined to shine a light on the subject despite Ealing Labour's attempts to sweep this under the carpet. He questioned Labour's portfolio holder at Full Council, pressured the Council to publish an action plan to Ofsted to address these loopholes, and has now secured a debate at the upcoming Scrutiny meeting.

Lib Dem **Councillor Adam Keenan** says, "Children's safety must come first. It is my job to get the Council to put this right. "

Troubadour CHAOS: we are not giving up - and neither should you

Lib Dem Official Opposition Councillors forced a debate on Labour's deeply unpopular plans for Troubadour to build a semi-permanent theatre structure on Walpole Park.

Lib Dem Councillors spoke passionately about how Ealing Labour has neither environmental nor financial grounds for this to proceed.

They also spoke about the effects of excessive year-round noise and traffic, and the potential impact on Ealing's Summer Festivals.

Yet, **Labour voted down the Lib Dem motion - to the anger of local residents.**

The fight is FAR from over - as it still has to go through an official consultation, a second Cabinet meeting, and the Planning Committee.

NOT GIVING UP: Lib Dems are on the side of local residents.

PETITION UPDATE

Local Councillor ADAM KEENAN formally hands in the petition from frustrated local residents to get the abandoned cars removed on Windsor Road

Rogue E-bikes: Lib Dems make significant progress on enforcement

The Lib Dems tabled an amendment to give the Council more powers to seize rogue e-bikes, and give residents more say over the size and location of parking bays.

Inappropriately parked e-bikes causes significant issues for elderly people, parents, and people with disabilities.

Labour's u-turn means the Council now officially recognises that the situation must change. The Lib Dems are pushing for the Council to make e-bike companies remove bikes from dangerous locations after 30 minutes.

SCRUTINY : The Lib Dems are determined to stop these failings from happening again.

FILTHY: Lib Dems argue that Ealing Labour is rewarding failure by giving Greener Ealing another TEN year contract.

Lib Dems reject 'culture of failure' by calling-in Labour's £250 MILLION cleaning contract renewal

Lib Dem Official Opposition Councillors have exposed and 'called-in' Ealing Labour's decision to extend the £250 MILLION cleaning and bin collection contract to Greener Ealing for another TEN years without allowing any competition or tendering process - even though our streets are dirty, and the leaves remain unswept.

A 'call-in' is an official review during the Overview and Scrutiny Committee meeting where decisions are reviewed.

Local Lib Dem **Councillor Adam Keenan** says, "The Lib Dems believe the Ealing Labour-run Council must restart the process, and allow fair competition to take place so we get a fair deal from our Council Tax."
